MEMORANDUM FOR: C/MMPD

SUBJECT : Request for Extension of Tour of Duty -
Col. Edward B. Giller, USAF, [REDACTED]

25X1A

1. It is requested that Col. Edward B. Giller's tour of duty with the Agency be extended for a period of one year so as to expire in July 1964.

2. Col. Giller has recently assumed the position of Assistant Deputy Director (Research), an entirely new major component of the Agency. Since this component is in the developmental stage, it is extremely important that Col. Giller continue to be assigned to the Agency in order to insure adequate direction of the effort during its formative period. Col. Giller's past experience as a Director of Research for the Air Force and more recently as DC with a major research component of the Agency makes him uniquely qualified to carry out this work.

3. I should be glad to provide any further details if they are desired.
